

Chapter-End Activities

Chapter 2: Typing Skills

Activity 1: Keyboard Quiz Competition

Objective

To evaluate students understanding of keyboard layout, Home Row Keys, finger placement, keyboard functions, and basic typing concepts through an interactive quiz.

Materials Required

- Keyboard Quiz Cards
- Keyboard Chart
- Whiteboard & Marker
- Scoreboard
- Computer/Laptop (Optional)

Instructions

1. Divide the class into **2–4 teams**.
2. Ask one quiz question to each team in turn.
3. Teams discuss and answer within **30 seconds**.
4. Award **1 point** for each correct answer.
5. Continue until all questions are completed.
6. Announce the winning team and appreciate all participants.

Sample Quiz Questions

- What are the Home Row Keys?
- Which finger is placed on the **F** key?
- What is the function of the Enter key?
- Which key is used to type capital letters?
- What does the Backspace key do?
- What is touch typing?
- Why is correct typing posture important?
- Name three special keys on the keyboard.

Assessment Criteria

- Keyboard Knowledge
 - Accuracy
 - Confidence
 - Teamwork
 - Participation
-

Activity 2: Typing Speed Challenge

Objective

To assess students typing speed while maintaining correct finger placement and posture.

Materials Required

- Computer/Laptop
- Typing Practice Paragraph
- Timer/Stopwatch
- Typing Record Sheet

Instructions

1. Students sit with proper typing posture.
2. Open a typing software or text editor.
3. Set a **2-minute timer**.
4. Students type the given paragraph as quickly and accurately as possible.
5. Record the number of **Words Per Minute (WPM)** and typing mistakes.
6. Teacher provides feedback and improvement tips.

Assessment Criteria

- Typing Speed
 - Finger Placement
 - Typing Accuracy
 - Posture
 - Time Management
-

Activity 3: Accuracy Test

Objective

To evaluate students ability to type accurately using correct spelling, capitalization, punctuation, and spacing.

Materials Required

- Computer/Laptop
- Accuracy Test Worksheet
- Text Editor (MS Word/Notepad)

Instructions

1. Provide students with a short paragraph.
2. Students type the paragraph exactly as shown.
3. Check for:
 - Spelling
 - Capital Letters
 - Punctuation
 - Spacing
4. Students review and correct their mistakes.
5. Save the completed document.

Assessment Criteria

- Correct Spelling
 - Capitalization
 - Punctuation
 - Proper Spacing
 - Error Correction
-

Activity 4: Sentence Typing Competition

Objective

To improve students confidence in typing complete sentences accurately within a given time.

Materials Required

- Computer/Laptop
- Sentence Practice Sheet
- Timer
- Score Sheet

Instructions

1. Students receive a list of sentences.
2. Type each sentence exactly as provided.
3. Use correct spacing, punctuation, and capitalization.
4. Complete the activity within the allotted time.
5. The teacher evaluates speed and accuracy.

Sample Sentences

- Computers help us learn new things.
- Practice improves typing skills.
- Good posture makes typing comfortable.
- We should use technology responsibly.
- Accuracy is more important than speed.

Assessment Criteria

- Sentence Accuracy
 - Typing Speed
 - Capitalization
 - Punctuation
 - Overall Presentation
-

Activity 5: Best Typist Award

Objective

To recognize students who demonstrate excellent typing performance and encourage continuous improvement.

Award Categories

- Fastest Typist
- Most Accurate Typist
- Best Finger Placement
- Best Typing Posture
- Most Improved Typist
- Best Overall Typist

Evaluation Criteria

- Typing Speed
- Typing Accuracy
- Finger Placement

- Confidence
 - Consistency
 - Classroom Participation
-

Activity 6: Oral Assessment

Objective

To evaluate students understanding of typing concepts through verbal responses.

Instructions

Each student answers **3–5 oral questions** related to the chapter.

Sample Questions

- What are the Home Row Keys?
- Why is typing accuracy important?
- What is typing speed?
- What is touch typing?
- What is the function of the Shift key?
- Why should we keep our fingers on the Home Row Keys?
- How can we improve typing speed?
- Why is correct posture important while typing?

Assessment Criteria

- Subject Knowledge
 - Communication Skills
 - Confidence
 - Accuracy
 - Pronunciation
-

Activity 7: Practical Evaluation

Objective

To assess students practical typing skills and application of all concepts learned in **Chapter 2: Typing Skills**.

Practical Tasks

Students should:

- Identify important keyboard keys.
- Demonstrate correct finger placement.
- Type words accurately.
- Type sentences with proper capitalization and punctuation.
- Complete a timed typing test.
- Correct typing mistakes.
- Demonstrate proper typing posture and keyboard handling.

Practical Evaluation Rubric

Assessment Area	Marks
Keyboard Identification	15
Finger Placement	15
Typing Speed	20
Typing Accuracy	20
Sentence Typing	10
Oral Assessment	10
Typing Posture & Practical Skills	10
Total	100 Marks

Chapter Learning Outcomes

After completing the **Chapter-End Activities** for **Chapter 2: Typing Skills**, students will be able to:

- Demonstrate a clear understanding of **keyboard layout, Home Row Keys, finger placement, and keyboard functions**.
- Improve **typing speed and accuracy** through regular practice and assessments.
- Apply correct **capitalization, punctuation, spacing, and spelling** while typing words and sentences.
- Follow proper **typing posture, keyboard handling, and typing etiquette**.
- Participate confidently in quizzes, competitions, oral assessments, and practical typing activities.
- Develop strong keyboarding skills that prepare them for advanced computer applications, digital learning, and future academic success.
