

Chapter 2: Typing Skills

Class 7: Practical / Activities (20 Minutes)

Topic: Timed Typing Test, Accuracy Challenge, Error Correction Activity & Typing Relay Game

Activity 1: Timed Typing Test (5 Minutes)

Objective

To improve students' typing speed while maintaining proper finger placement, posture, and accuracy.

Materials Required

- Computer/Laptop
- Typing Software or MS Word/Notepad
- Stopwatch/Timer
- Typing Test Worksheet

Instructions

1. Students sit with correct typing posture and place their fingers on the **Home Row Keys**.
2. Open the typing practice document.
3. Set a **2-minute timer**.
4. Students type the given paragraph without looking at the keyboard.
5. At the end of the time, students count the number of words typed and note any mistakes.

Typing Practice Paragraph

Computers are useful in our daily life. Learning typing helps us work faster and more accurately. Good posture, correct finger placement, and regular practice improve typing skills. We should always type carefully and check our work for mistakes.

Assessment Criteria

- Number of words typed
- Typing accuracy
- Correct finger placement

- Proper posture
- Time management

Teacher Observation Checklist

- ☐ Uses correct typing posture.
 - ☐ Keeps fingers on the Home Row Keys.
 - ☐ Types without frequently looking at the keyboard.
 - ☐ Maintains steady typing speed.
 - ☐ Completes the test within the allotted time.
-

Activity 2: Accuracy Challenge (5 Minutes)

Objective

To help students improve typing accuracy by focusing on correct spelling, capitalization, punctuation, and spacing.

Materials Required

- Computer/Laptop
- Accuracy Practice Worksheet
- Text Editor (MS Word/Notepad)

Instructions

1. Students type the given sentences exactly as displayed.
2. Focus on **accuracy instead of speed**.
3. Use proper capitalization and punctuation.
4. After typing, compare the typed text with the original and identify mistakes.

Typing Sentences

- Practice makes us better typists.
- Computers help us learn new skills.
- Always keep your hands clean before using a keyboard.
- Good typing habits improve speed and accuracy.
- We should use technology responsibly and safely.

Teacher Observation Checklist

- ☐ Types without spelling mistakes.
 - ☐ Uses correct capitalization.
 - ☐ Applies punctuation correctly.
 - ☐ Maintains proper spacing.
 - ☐ Demonstrates careful typing.
-

Activity 3: Error Correction Activity (5 Minutes)

Objective

To develop proofreading and editing skills by identifying and correcting typing errors.

Materials Required

- Error Correction Worksheet
- Computer/Laptop
- Text Editor

Instructions

1. Students receive a paragraph containing typing mistakes.
2. Read the paragraph carefully.
3. Retype the paragraph correctly.
4. Correct spelling, capitalization, punctuation, and spacing errors.
5. Save the corrected document.

Incorrect Paragraph

my school has a computer lab every student enjoys learning typing computers help us complete our work quickly

Correct Paragraph

My school has a computer lab. Every student enjoys learning typing. Computers help us complete our work quickly.

Teacher Observation Checklist

- ☐ Identifies typing mistakes.
 - ☐ Corrects spelling errors.
 - ☐ Uses proper punctuation.
 - ☐ Applies capital letters correctly.
 - ☐ Completes the activity independently.
-

Activity 4: Typing Relay Game (5 Minutes)

Objective

To encourage teamwork while improving typing speed, coordination, and communication skills.

Materials Required

- Computer/Laptop
- Typing Relay Worksheet
- Timer
- Scoreboard

Instructions

1. Divide the class into **2–4 teams**.
2. Each team forms a line behind one computer.
3. The first student types one sentence and then moves aside.
4. The next student continues with the next sentence.
5. Continue until all sentences are completed.
6. The teacher checks the completed work for speed and accuracy.
7. The team with the **fewest errors** and **fastest completion time** is declared the winner.

Relay Sentences

- Computers help us every day.
- The keyboard is an input device.

- Practice improves typing speed.
- Good posture keeps us comfortable.
- Accuracy is more important than speed.
- We should use computers responsibly.

Teacher Observation Checklist

- ☐ Works cooperatively with teammates.
 - ☐ Types accurately.
 - ☐ Maintains correct finger placement.
 - ☐ Completes the relay on time.
 - ☐ Demonstrates teamwork and confidence.
-

Practical Time Distribution

Activity	Duration
Timed Typing Test	5 Minutes
Accuracy Challenge	5 Minutes
Error Correction Activity	5 Minutes
Typing Relay Game	5 Minutes
Total Practical Time	20 Minutes

Expected Learning Outcomes

After completing these practical activities, students will be able to:

- Improve **typing speed** while maintaining a high level of **accuracy**.
- Identify and correct common typing errors, including spelling, capitalization, punctuation, and spacing mistakes.
- Demonstrate proper finger placement, typing posture, and keyboard handling techniques.
- Develop proofreading and self-correction skills during typing tasks.
- Work effectively in team-based typing activities, improving communication and collaboration.
- Build confidence and efficiency in using a keyboard for academic and everyday computer tasks.
