- Name five special keys and their functions.
- Type a given sentence without mistakes.
- Demonstrate correct finger placement.
- Explain the importance of typing posture.
- Identify common typing errors and correct them.

Teacher Observation Checklist

- ☐ Participates actively in team activities.
 - ☐ Demonstrates keyboard knowledge.
 - ☐ Maintains typing accuracy.
 - ☐ Works cooperatively with teammates.
 - ☐ Shows confidence during practical revision.
-

Practical Time Distribution

Activity	Duration
Keyboard Quiz	5 Minutes
Typing Speed Challenge	5 Minutes
Accuracy Assessment	5 Minutes
Team Competition & Practical Revision	5 Minutes
Total Practical Time	20 Minutes

Expected Learning Outcomes

After completing these practical activities, students will be able to:

- Demonstrate a strong understanding of **keyboard layout, Home Row Keys, and keyboard functions**.
- Improve **typing speed** while maintaining a high level of **accuracy**.
- Apply correct **capitalization, punctuation, spacing, and spelling** during typing tasks.
- Demonstrate proper **typing posture, finger placement, and keyboard handling**.

- Work effectively in team-based competitions, developing collaboration and communication skills.
- Successfully complete a practical revision of all typing concepts learned in **Chapter 2: Typing Skills**, preparing confidently for future computer applications and assessments.
