

Chapter	Classes	Topics Covered	Practical / Activities (20 Minutes)	Chapter-End Activity
Chapter 3: Digital Awareness	Classes 9–14	Class 9: Technology Around Us, Smart Devices & Digital Services. Class 10: Digital Communication, Email, Video Conferencing & Online Learning. Class 11: Cyber Safety, Strong Passwords & Safe Internet Practices. Class 12: Artificial Intelligence (AI) in Daily Life & Emerging Technologies. Class 13: Technology in Education, Healthcare, Banking, Agriculture & Transportation. Class 14: Revision, Digital Awareness Quiz & Assessment.	Class 9: Smart Device Identification, Technology Picture Matching, QR Code Observation & Device Sorting Activity. Class 10: Email Interface Demonstration, Video Call Simulation, Online Learning Activity & Digital Communication Worksheet. Class 11: Password Creation Activity, Cyber Safety Role Play, Safe Browsing Challenge & Internet Safety Poster. Class 12: AI Tool Demonstration, AI Image Identification, Smart Technology Discussion & Group Presentation. Class 13: Technology in Daily Life Chart Making, Industry Technology Matching Activity, Team Presentation & Digital Awareness Worksheet. Class 14: Digital Awareness Quiz, Picture Identification, Team Challenge, Oral Assessment & Practical Revision.	Digital Awareness Quiz Competition, Smart Technology Exhibition, Cyber Safety Challenge, AI Awareness Quiz, Team Presentation, Best Digital Citizen Award, Oral Assessment & Practical Evaluation

Chapter 3: Digital Awareness (Classes 9–14) – Class V

Class 9 – Technology Around Us, Smart Devices & Digital Services

Topics Covered

- Introduction to Technology
- Technology in Daily Life
- Smart Devices
- Smartphones
- Tablets
- Smart TVs
- Smart Watches
- ATM Machines
- QR Codes

- Digital Payments (Introduction)
 - Online Ticket Booking
 - Self-Service Kiosks
 - Uses of Technology at Home
 - Uses of Technology at School
 - Advantages of Smart Technology
 - Responsible Use of Smart Devices
 - Revision
-

Class 10 – Digital Communication, Email, Video Conferencing & Online Learning

Topics Covered

- What is Digital Communication?
 - Types of Digital Communication
 - Email (Introduction)
 - Parts of an Email
 - Sending and Receiving Emails (Concept)
 - Video Conferencing
 - Online Meetings
 - Online Learning Platforms
 - Educational Websites
 - Virtual Classrooms
 - Online Collaboration
 - Netiquette (Online Manners)
 - Benefits of Digital Communication
 - Safe Communication Practices
 - Revision
-

Class 11 – Cyber Safety, Strong Passwords & Safe Internet Practices

Topics Covered

- Introduction to Cyber Safety
- Safe Internet Browsing
- Strong Password Creation

- Password Security
 - Personal Information Protection
 - Safe Website Identification
 - Cyberbullying Awareness
 - Phishing (Basic Introduction)
 - Online Scams (Introduction)
 - Safe Downloads
 - Responsible Internet Usage
 - Digital Footprint
 - Screen Time Management
 - Internet Safety Rules
 - Revision
-

Class 12 – Artificial Intelligence (AI) in Daily Life & Emerging Technologies

Topics Covered

- Introduction to Artificial Intelligence (AI)
 - AI in Daily Life
 - Voice Assistants
 - Smart Home Devices
 - AI in Mobile Phones
 - AI in Online Shopping
 - AI in Education
 - AI in Healthcare
 - Face Recognition
 - Recommendation Systems
 - Robotics (Introduction)
 - Machine Learning (Basic Concept)
 - Benefits of AI
 - Responsible Use of AI
 - Revision
-

Class 13 – Technology in Education, Healthcare, Banking, Agriculture & Transportation

Topics Covered

- Technology in Education
 - Smart Classrooms
 - Technology in Hospitals
 - Digital Health Records
 - Technology in Banking
 - Online Banking
 - ATM Services
 - UPI & Digital Payments (Basic Introduction)
 - Technology in Agriculture
 - Smart Farming
 - Technology in Transportation
 - GPS Navigation
 - Online Ticket Booking
 - Technology in Communication
 - Benefits of Technology in Society
 - Revision
-

Class 14 – Revision, Digital Awareness Quiz & Assessment

Topics Covered

- Revision of Technology Around Us
- Revision of Smart Devices
- Revision of Digital Communication
- Revision of Email & Online Learning
- Revision of Cyber Safety
- Revision of Internet Safety Rules
- Revision of Strong Passwords
- Revision of Artificial Intelligence
- Revision of Technology in Daily Life
- Revision of Digital Citizenship
- Digital Awareness Quiz
- Oral Discussion
- Chapter Assessment
- Practical Assessment
- Feedback & Improvement Tips
