

# Chapter 3: Digital Content Creation

## Class 14: Practical / Activities (10 Minutes)

### Topic: Design a Professional Poster & Social Media Post

---

## Activity 1: Design a Professional Poster (4 Minutes)

### Objective

To help students apply the principles of professional poster design by creating an attractive and informative educational poster using AI-powered design tools.

---

### Materials Required

- Computer/Laptop or Tablet
  - Internet Connection
  - Canva AI / Adobe Express / Microsoft Designer
  - Copyright-free Images or AI-generated Images
  - Student Poster Design Worksheet
  - Teacher Observation Sheet
- 

### Instructions

1. Open an AI-powered design tool (Canva AI, Adobe Express, or Microsoft Designer).
2. Select an **Educational Poster** template.
3. Choose one topic from the list provided.
4. Design a professional poster including:
  - Attractive Title
  - Relevant Image or Illustration
  - 3–5 Key Points
  - Appropriate Color Theme
  - School Logo (optional)
  - Call-to-Action (e.g., *"Save Water Today!"*)

5. Review the design for readability and visual balance.
  6. Save the poster in PNG or PDF format.
- 

## Suggested Poster Topics

- Save Water
  - Cyber Safety
  - Artificial Intelligence in Education
  - Plastic-Free Environment
  - Road Safety
  - Healthy Lifestyle
  - Tree Plantation
  - Digital Citizenship
  - Renewable Energy
  - Clean India Mission
- 

## Poster Design Worksheet

| Task                     | Completed (✓)            |
|--------------------------|--------------------------|
| Topic Selected           | <input type="checkbox"/> |
| Poster Template Selected | <input type="checkbox"/> |
| Title Added              | <input type="checkbox"/> |
| Images/Icons Added       | <input type="checkbox"/> |
| Key Points Included      | <input type="checkbox"/> |
| Color Theme Applied      | <input type="checkbox"/> |
| Poster Saved             | <input type="checkbox"/> |

---

## Student Activity Checklist

Students should:

- ✓ Select an appropriate topic.
- ✓ Design an attractive educational poster.
- ✓ Apply proper typography and color combinations.

- ✓ Include relevant visuals.
  - ✓ Save the completed design.
- 

### Teacher Observation Checklist

- ✓ Uses a suitable poster layout.
  - ✓ Demonstrates creativity.
  - ✓ Applies design principles effectively.
  - ✓ Produces a neat and informative poster.
- 

## Activity 2: Design a Professional Social Media Post (3 Minutes)

### Objective

To help students create an engaging social media graphic using AI-powered design tools for educational awareness or promotional purposes.

---

### Materials Required

- AI Design Tool
  - Student Activity Sheet
  - Teacher Evaluation Sheet
- 

### Instructions

1. Create a square (1080 × 1080) social media post.
2. Select the same or a different topic.
3. Include:
  - Catchy Heading
  - One High-Quality Image

- Short Informative Caption
  - School or Organization Logo (optional)
  - Simple Call-to-Action
4. Use a professional color palette.
  5. Export the design.
- 

## Suggested Social Media Topics

- Study Smart with AI
  - Stay Safe Online
  - Save Nature
  - Read Every Day
  - Science & Innovation
  - World Environment Day
  - Digital Learning
  - Healthy Food Habits
- 

## Practice Worksheet

| Evaluation Criteria | Yes                      | Needs Improvement        |
|---------------------|--------------------------|--------------------------|
| Correct Post Size   | <input type="checkbox"/> | <input type="checkbox"/> |
| Attractive Heading  | <input type="checkbox"/> | <input type="checkbox"/> |
| Relevant Image Used | <input type="checkbox"/> | <input type="checkbox"/> |
| Proper Typography   | <input type="checkbox"/> | <input type="checkbox"/> |
| Color Theme Applied | <input type="checkbox"/> | <input type="checkbox"/> |
| Design Exported     | <input type="checkbox"/> | <input type="checkbox"/> |

---

| Evaluation Criteria | Yes                      | Needs Improvement        |
|---------------------|--------------------------|--------------------------|
| Correct Post Size   | <input type="checkbox"/> | <input type="checkbox"/> |
| Attractive Heading  | <input type="checkbox"/> | <input type="checkbox"/> |
| Relevant Image Used | <input type="checkbox"/> | <input type="checkbox"/> |

| Color Theme Applied | <input type="checkbox"/> | <input type="checkbox"/> |
| Design Exported     | <input type="checkbox"/> | <input type="checkbox"/> |

---

## Discussion Questions

1. Which design tool did you use?
  2. Why did you choose this topic?
  3. Which design feature made your post attractive?
  4. How can social media posts spread awareness?
-

## Teacher Observation Checklist

- ✓ Creates an attractive social media graphic.
  - ✓ Uses visual hierarchy effectively.
  - ✓ Demonstrates creativity.
  - ✓ Applies good design practices.
- 

## Activity 3: Poster & Social Media Design Review (3 Minutes)

### Objective

To help students evaluate their designs, receive peer feedback, and improve visual communication skills.

---

### Materials Required

- Completed Poster
  - Completed Social Media Post
  - Reflection Worksheet
  - Teacher Observation Sheet
- 

### Instructions

1. Display both designs to classmates.
2. Explain:
  - Design tool used
  - Topic selected
  - Color choices
  - Typography
  - Images used
3. Receive peer feedback.
4. Complete the reflection worksheet.
5. Suggest one improvement for future designs.

---

## Reflection Worksheet

Answer the following questions:

1. Which design did you enjoy creating the most?

---

2. Which AI design tool did you use?

---

3. Which design principle helped improve your work?

---

4. What would you improve next time?

---

5. Why is visual communication important in digital content creation?

---

---

## Self-Assessment Checklist

| Skill                                  | Yes                      | Needs Practice           |
|----------------------------------------|--------------------------|--------------------------|
| I designed a professional poster.      | <input type="checkbox"/> | <input type="checkbox"/> |
| I created a social media post.         | <input type="checkbox"/> | <input type="checkbox"/> |
| I used suitable colors and typography. | <input type="checkbox"/> | <input type="checkbox"/> |
| I applied visual hierarchy.            | <input type="checkbox"/> | <input type="checkbox"/> |
| I followed ethical design practices.   | <input type="checkbox"/> | <input type="checkbox"/> |

---

## Teacher Observation Checklist

- ☒ Explains design decisions confidently.
- ☒ Applies creativity and originality.

- ✓ Demonstrates understanding of visual communication.
  - ✓ Participates actively in review and feedback.
- 

## Mini Practical Assessment Rubric

| Assessment Area                          | Marks            |
|------------------------------------------|------------------|
| Poster Design Quality                    | 20               |
| Social Media Post Design                 | 20               |
| Creativity & Visual Appeal               | 20               |
| Use of Design Principles                 | 20               |
| Presentation, Reflection & Participation | 20               |
| <b>Total</b>                             | <b>100 Marks</b> |

---

### Teacher Observation Checklist

- ✓ Demonstrates effective use of AI-powered design tools.
  - ✓ Creates visually appealing and informative poster and social media designs.
  - ✓ Applies layout, typography, color harmony, and visual hierarchy effectively.
  - ✓ Uses original or copyright-compliant content responsibly.
  - ✓ Participates confidently in design presentation and peer feedback.
- 

## Practical Time Distribution

| Activity                     | Duration          |
|------------------------------|-------------------|
| Design a Professional Poster | 4 Minutes         |
| Design a Social Media Post   | 3 Minutes         |
| Design Review & Reflection   | 3 Minutes         |
| <b>Total Practical Time</b>  | <b>10 Minutes</b> |

---

# Expected Learning Outcomes

After completing these practical activities, students will be able to:

- Design professional **educational posters** using AI-assisted design tools.
- Create engaging **social media posts** with effective layouts, typography, images, and color schemes.
- Apply key visual communication principles such as **alignment, balance, contrast, hierarchy, and consistency**.
- Use AI-powered design platforms responsibly to produce creative and high-quality digital content.
- Evaluate and improve designs through peer feedback and self-reflection.
- Develop practical skills for creating digital content used in **education, awareness campaigns, marketing, and social media communication**.
