

Chapter 2: Prompt Engineering Basics

Class 7: Practical / Activities (10 Minutes)

Topic: Write a Simple AI Prompt

Activity 1: Write Your First AI Prompt (4 Minutes)

Objective

To help students understand how to communicate with an AI tool by writing simple, clear, and meaningful prompts for different learning tasks.

Materials Required

- Computer/Laptop or Tablet
 - Internet Connection
 - AI Tool (ChatGPT, Google Gemini, Microsoft Copilot, etc.)
 - Student Activity Worksheet
 - Notebook & Pen
 - Teacher Observation Sheet
-

Instructions

1. Open the AI tool.
 2. Read the topic assigned by the teacher.
 3. Write one simple AI prompt related to the topic.
 4. Enter the prompt into the AI tool.
 5. Read the AI response carefully.
 6. Discuss whether the response answered your question correctly.
 7. Rewrite the prompt if the answer is unclear.
-

Suggested Topics

- Artificial Intelligence
 - Water Conservation
 - Solar Energy
 - Healthy Food
 - Digital Safety
 - Climate Change
 - Space Exploration
 - Environmental Protection
-

Sample Simple AI Prompts

- What is Artificial Intelligence?
 - Explain water conservation.
 - List five healthy food habits.
 - What is solar energy?
 - Why should we plant trees?
 - Explain climate change in simple words.
-

Student Prompt Writing Worksheet

Task	Student Response
Topic	_____
My AI Prompt	_____
AI Response (Short Summary)	_____
Was the Answer Useful? (Yes/No)	_____
One Improvement to My Prompt	_____

Student Activity Checklist

Students should:

- ✓ Choose one topic.
- ✓ Write a simple prompt.
- ✓ Use correct spelling.

- ✓ Ask one clear question.
 - ✓ Read the AI response carefully.
 - ✓ Rewrite the prompt if necessary.
-

Teacher Observation Checklist

- ✓ Writes a simple and meaningful prompt.
 - ✓ Uses appropriate language.
 - ✓ Understands the AI response.
 - ✓ Participates actively.
-

Activity 2: Good Prompt vs Weak Prompt (3 Minutes)

Objective

To help students identify the difference between weak prompts and well-written prompts.

Materials Required

- Prompt Comparison Worksheet
 - AI Tool
 - Teacher Evaluation Sheet
-

Instructions

1. Read both prompts.
2. Predict which prompt will produce the better AI response.
3. Test both prompts using the AI tool.
4. Compare the responses.
5. Discuss why one prompt worked better.

Prompt Comparison Table

Weak Prompt	Improved Prompt
Tell me about pollution.	Explain the causes, effects, and prevention of air pollution in simple English using five bullet points for Class IX students.
Write about trees.	Write five benefits of planting trees with simple examples.
Explain computers.	Explain the parts of a computer with simple definitions and examples.

Discussion Questions

1. Which prompt produced the better answer?
 2. Why was the improved prompt more useful?
 3. What information was missing in the weak prompt?
 4. How can you improve a simple prompt?
-

Teacher Observation Checklist

- ☒ Identifies weak and strong prompts.
 - ☒ Explains differences correctly.
 - ☒ Participates in discussion.
 - ☒ Understands prompt quality.
-

Activity 3: Improve Your Prompt (3 Minutes)

Objective

To help students improve a basic AI prompt by adding more details, context, and a desired output format.

Materials Required

- Prompt Improvement Worksheet
 - AI Tool
 - Teacher Observation Sheet
-

Instructions

1. Review the prompt written in Activity 1.
 2. Add more details such as:
 - Topic
 - Audience
 - Output format
 - Number of points
 3. Enter the improved prompt into the AI tool.
 4. Compare both AI responses.
 5. Write which response is better and explain why.
-

Prompt Improvement Worksheet

Original Prompt	Improved Prompt

Example

Original Prompt

Explain pollution.

Improved Prompt

Explain the causes and prevention of air pollution in simple English using five bullet points for Class IX students.

Student Tasks

Students should:

- ✓ Improve the original prompt.
 - ✓ Add more details.
 - ✓ Specify the output format.
 - ✓ Compare AI responses.
 - ✓ Identify the better response.
-

Teacher Observation Checklist

- ✓ Improves prompts effectively.
 - ✓ Uses clear instructions.
 - ✓ Demonstrates critical thinking.
 - ✓ Understands the value of prompt refinement.
-

Mini Practical Assessment Rubric

Assessment Area	Marks
Writing a Simple Prompt	20
Prompt Clarity & Accuracy	20
Prompt Improvement	20
AI Response Evaluation	20
Participation & Communication	20
Total	100 Marks

Teacher Observation Checklist

- ✓ Writes meaningful AI prompts.
 - ✓ Identifies good and weak prompts.
 - ✓ Improves prompts independently.
 - ✓ Evaluates AI responses critically.
 - ✓ Participates confidently throughout the activity.
-

Practical Time Distribution

Activity	Duration
Write Your First AI Prompt	4 Minutes
Good Prompt vs Weak Prompt	3 Minutes
Improve Your Prompt	3 Minutes
Total Practical Time	10 Minutes

Expected Learning Outcomes

After completing these practical activities, students will be able to:

- Write simple, clear, and meaningful AI prompts for educational tasks.
- Distinguish between **weak prompts** and **well-structured prompts**.
- Improve prompts by adding context, audience, and output format.
- Compare AI-generated responses to identify which prompt produces better results.
- Develop effective communication skills while interacting with AI tools.
- Demonstrate responsible and productive use of AI for learning, research, and classroom activities.
