

Chapter 2: Prompt Engineering Basics

Class 9: Practical / Activities (10 Minutes)

Topic: Create an Image Prompt for a Poster

Activity 1: Create an AI Image Prompt for a Poster (4 Minutes)

Objective

To help students learn how to write detailed AI image prompts for creating attractive educational posters by including the subject, background, colors, style, lighting, text, and image quality.

Materials Required

- Computer/Laptop or Tablet
 - Internet Connection
 - AI Image Generation Tool (ChatGPT Image Generator, Gemini, Adobe Firefly, Microsoft Designer, Canva AI, etc.)
 - Student Activity Worksheet
 - Notebook & Pen
 - Teacher Observation Sheet
-

Instructions

1. Open the AI image generation tool.
2. Select a poster topic provided by the teacher.
3. Plan the important elements of the poster:
 - Subject
 - Background
 - Colors
 - Style
 - Poster Title
 - Slogan

- Lighting
 - Image Quality
 - 4. Write a complete AI image prompt.
 - 5. Generate the poster image using the prompt.
 - 6. Review the generated image and note any improvements needed.
-

Suggested Poster Topics

- Save Water
 - World Environment Day
 - Digital Safety
 - Clean India
 - Road Safety
 - Tree Plantation
 - Healthy Food
 - Plastic-Free Earth
 - Energy Conservation
 - Artificial Intelligence in Education
-

Sample AI Image Prompt

Design a colorful educational poster about "Save Water". Show children saving water, clean rivers, green trees, and a bright blue sky. Use blue and green colour themes, flat illustration style, bold title "SAVE WATER, SAVE LIFE", include the slogan "Every Drop Counts", high-resolution, clean layout, suitable for Class IX students.

Poster Prompt Planning Worksheet

Prompt Component	Student Response
Poster Topic	_____
Main Subject	_____
Background	_____
Colour Theme	_____
Design Style	_____
Poster Title	_____
Slogan	_____
Lighting	_____

Prompt Component	Student Response
Image Quality	_____

Student Activity Checklist

Students should:

- ✓ Select a poster topic.
 - ✓ Write a detailed image prompt.
 - ✓ Include subject and background.
 - ✓ Mention colours and style.
 - ✓ Add title and slogan.
 - ✓ Generate the AI poster.
-

Teacher Observation Checklist

- ✓ Writes a complete image prompt.
 - ✓ Includes all required prompt elements.
 - ✓ Demonstrates creativity.
 - ✓ Uses AI responsibly.
-

Activity 2: Improve the Poster Image Prompt (3 Minutes)

Objective

To help students refine their image prompts by adding more descriptive details and improving the quality of the AI-generated poster.

Materials Required

- AI Image Generation Tool
 - Prompt Improvement Worksheet
 - Teacher Evaluation Sheet
-

Instructions

1. Review the first poster image.
 2. Identify missing elements such as colours, background, lighting, or text.
 3. Rewrite the prompt with additional details.
 4. Generate the improved poster.
 5. Compare the two posters.
-

Prompt Improvement Example

Basic Prompt	Improved Prompt
Make a poster about trees.	Design a modern educational poster about tree plantation showing school students planting trees in a green park during sunrise. Use realistic digital illustration, green and brown color theme, bold title "PLANT TREES, SAVE EARTH", slogan "Today's Trees, Tomorrow's Life", vibrant colors, ultra HD quality.

Poster Comparison Worksheet

Evaluation Criteria	First Poster	Improved Poster
Clear Subject	☐	☐
Attractive Colors	☐	☐
Good Background	☐	☐
Professional Layout	☐	☐
Suitable Title	☐	☐
Creative Design	☐	☐

Discussion Questions

1. Which poster looked better?
 2. What details improved the image?
 3. How did colors affect the design?
 4. Why is prompt refinement important?
-

Teacher Observation Checklist

- ☒ Improves image prompts effectively.
 - ☒ Adds descriptive details.
 - ☒ Evaluates AI-generated posters.
 - ☒ Participates in discussion.
-

Activity 3: Poster Presentation & Peer Review (3 Minutes)

Objective

To help students present their AI-generated posters, explain their prompt-writing strategy, and receive constructive feedback from classmates.

Materials Required

- Completed AI Poster
 - Peer Review Sheet
 - Teacher Observation Sheet
-

Instructions

1. Display your AI-generated poster.
 2. Read your image prompt aloud.
 3. Explain why you selected the colours, style, and background.
 4. Receive feedback from classmates.
 5. Suggest one improvement for your poster.
-

Peer Review Worksheet

Evaluation Criteria Excellent Good Needs Improvement

Prompt Quality	☐	☐	☐
Creativity	☐	☐	☐
Color Selection	☐	☐	☐
Poster Layout	☐	☐	☐
Message Clarity	☐	☐	☐

Student Tasks

Students should:

- ✓ Present the poster confidently.
 - ✓ Explain the image prompt.
 - ✓ Listen to peer feedback.
 - ✓ Suggest improvements.
 - ✓ Revise the prompt if necessary.
-

Teacher Observation Checklist

- ✓ Presents confidently.
- ✓ Explains prompt structure clearly.

- ✓ Accepts constructive feedback.
 - ✓ Demonstrates creativity and communication skills.
-

Mini Practical Assessment Rubric

Assessment Area	Marks
Image Prompt Writing	20
Poster Planning & Creativity	20
Prompt Refinement	20
Poster Presentation	20
Participation & Communication	20
Total	100 Marks

Teacher Observation Checklist

- ✓ Writes detailed AI image prompts.
 - ✓ Includes subject, background, colours, style, and quality.
 - ✓ Improves prompts after reviewing AI-generated images.
 - ✓ Creates attractive and meaningful educational posters.
 - ✓ Participates actively throughout the practical session.
-

Practical Time Distribution

Activity	Duration
Create an AI Image Prompt for a Poster	4 Minutes
Improve the Poster Image Prompt	3 Minutes
Poster Presentation & Peer Review	3 Minutes
Total Practical Time	10 Minutes

Expected Learning Outcomes

After completing these practical activities, students will be able to:

- Write detailed AI image prompts to create attractive educational posters.
- Include essential prompt elements such as **subject, background, colour theme, design style, title, slogan, lighting, and image quality**.
- Refine image prompts to improve the quality and creativity of AI-generated posters.
- Evaluate AI-generated images based on clarity, creativity, layout, and message.
- Present and explain their prompt-writing process with confidence while giving and receiving constructive feedback.
- Demonstrate responsible and creative use of AI image-generation tools for educational projects and digital content creation.
