

Chapter 2: Prompt Engineering & AI Content Creation

Class 10: Practical / Activities (10 Minutes)

Topic: Create Business Documents & Presentations Using AI

Activity 1: Create Business Documents & Presentations Using AI (4 Minutes)

Objective

To help students use AI tools to create professional business documents and presentation content by writing effective prompts and organizing information in a structured format.

Materials Required

- Computer/Laptop or Tablet
 - Internet Connection
 - AI Tool (ChatGPT, Google Gemini, Microsoft Copilot, or Perplexity AI)
 - Microsoft PowerPoint / Google Slides / Canva
 - Student Practical Worksheet
 - Notebook & Pen
 - Teacher Observation Sheet
-

Instructions

1. Open an AI tool.
2. Select one business or educational topic from the list below.
3. Write a detailed AI prompt requesting:
 - Presentation outline
 - Business document
 - Slide content

4. Generate the content using AI.
 5. Organize the information into a professional presentation (5–6 slides).
 6. Review and improve the AI-generated content before submission.
-

Suggested Topics

- School Science Exhibition
 - Green Business Startup
 - Artificial Intelligence in Education
 - Eco-Friendly Products
 - Cyber Security Awareness
 - Renewable Energy Project
 - Smart Classroom
 - Water Conservation Campaign
 - Healthy Lifestyle Awareness
 - Digital Marketing Basics
-

Sample AI Prompt

Prompt:

"Act as a business consultant. Create a professional 6-slide presentation on a Green Business Startup for Class X students. Include slide titles, key points, speaker notes, simple graphics suggestions, and a conclusion. Also prepare a one-page business proposal summarizing the business idea, objectives, target audience, estimated budget, and expected outcomes."

Student Practical Worksheet

Task	Completed (✓)
Topic Selected	☐
AI Prompt Written	☐
Presentation Generated	☐
Business Document Generated	☐
Content Reviewed	☐
Final Work Completed	☐

Student Activity Checklist

Students should:

- ✓ Select a suitable topic.
 - ✓ Write an effective AI prompt.
 - ✓ Generate presentation content.
 - ✓ Generate a business document.
 - ✓ Review and improve AI output.
-

Teacher Observation Checklist

- ✓ Writes structured AI prompts.
 - ✓ Generates professional content.
 - ✓ Organizes presentation effectively.
 - ✓ Reviews AI-generated information.
-

Activity 2: Improve and Format AI-Generated Content (3 Minutes)

Objective

To help students edit, improve, and professionally format AI-generated presentations and business documents.

Materials Required

- AI-generated Presentation
- Business Proposal

- Presentation Software
 - Evaluation Worksheet
 - Teacher Evaluation Sheet
-

Instructions

1. Read the AI-generated content.
 2. Improve the presentation by:
 - Adding headings
 - Using bullet points
 - Improving grammar
 - Simplifying difficult words
 3. Improve the business document by:
 - Organizing sections
 - Correcting spelling and grammar
 - Adding a conclusion
 4. Format the presentation professionally.
-

Presentation Evaluation Worksheet

Evaluation Criteria	Yes	Needs Improvement
Clear Title	☐	☐
Logical Slide Order	☐	☐
Good Visual Suggestions	☐	☐
Correct Grammar	☐	☐
Professional Formatting	☐	☐
Clear Conclusion	☐	☐

Discussion Questions

1. How did AI help create your presentation?
 2. Which AI-generated section required the most improvement?
 3. Why is reviewing AI-generated content important?
 4. What makes a business document professional?
-

Teacher Observation Checklist

- ✓ Improves presentation quality.
 - ✓ Organizes content effectively.
 - ✓ Uses professional formatting.
 - ✓ Demonstrates editing skills.
-

Activity 3: Present Your Business Idea & Reflection (3 Minutes)

Objective

To help students confidently present AI-generated business content and reflect on the role of AI in creating professional presentations and documents.

Materials Required

- Final Presentation
 - Business Proposal
 - Reflection Worksheet
 - Teacher Observation Sheet
-

Instructions

1. Deliver a **1-minute presentation** explaining:
 - Business idea
 - AI prompt used
 - Main presentation points
 2. Show the business proposal.
 3. Complete the reflection worksheet.
 4. Explain one responsible AI practice you followed.
-

Reflection Worksheet

Answer the following questions:

1. Which topic did you choose?

2. Write the AI prompt you used.

3. What business document did AI create?

4. What improvements did you make?

5. Why should AI-generated presentations be reviewed before presenting?

Self-Assessment Checklist

Skill	Yes	Needs Practice
I wrote an effective AI prompt.	☐	☐
I created a professional presentation.	☐	☐
I prepared a business document.	☐	☐
I improved AI-generated content.	☐	☐
I presented my work confidently.	☐	☐

Teacher Observation Checklist

- ☒ Explains presentation clearly.
- ☒ Demonstrates prompt engineering skills.

✓ Uses AI responsibly.

✓ Participates actively.

Mini Practical Assessment Rubric

Assessment Area	Marks
AI Prompt Writing	20
Presentation Content Creation	20
Business Document Preparation	20
Content Editing & Professional Formatting	20
Presentation, Reflection & Participation	20
Total	100 Marks

Teacher Observation Checklist

✓ Writes detailed prompts for AI-generated presentations and business documents.

✓ Creates organized and professional presentation content using AI.

✓ Produces structured business documents such as proposals, reports, or emails.

✓ Reviews, edits, and formats AI-generated content before submission.

✓ Demonstrates communication skills, responsible AI usage, and active participation throughout the practical activity.

Practical Time Distribution

Activity	Duration
Create Business Documents & Presentations Using AI	4 Minutes
Improve & Format AI-Generated Content	3 Minutes
Present Business Idea & Reflection	3 Minutes
Total Practical Time	10 Minutes

Expected Learning Outcomes

After completing these practical activities, students will be able to:

- Write **effective AI prompts** to generate professional presentations and business documents.
- Create AI-assisted **slide outlines, reports, proposals, emails, and presentation content**.
- Organize, edit, and format AI-generated content into clear and professional documents.
- Deliver concise presentations using AI-generated materials with confidence.
- Evaluate and improve AI outputs by refining prompts and reviewing generated content.
- Demonstrate responsible, ethical, and effective use of AI for **academic projects, business communication, presentations, and professional documentation**.
