

Chapter 3: Digital Content Creation

Class 15: Practical / Activities (10 Minutes)

Topic: Create an Educational Infographic Using AI Tools

Activity 1: Create an Educational Infographic Using AI Tools (4 Minutes)

Objective

To help students create a professional educational infographic by organizing information using AI-powered design tools, icons, charts, illustrations, and visual design principles.

Materials Required

- Computer/Laptop or Tablet
 - Internet Connection
 - AI Design Tools (Canva AI, Piktochart, Venngage, Visme, Adobe Express, Microsoft Designer)
 - Student Infographic Worksheet
 - Notebook & Pen
 - Teacher Observation Sheet
-

Instructions

1. Open an AI-powered infographic design tool.
2. Choose an **Infographic Template**.
3. Select one educational topic from the list below.
4. Design an infographic including:
 - Attractive Title
 - 4–6 Key Facts
 - Icons or Illustrations
 - Charts or Visual Elements (if applicable)
 - Suitable Color Theme

- Short Conclusion
 - 5. Arrange the information using a logical flow.
 - 6. Review the infographic for readability and accuracy.
 - 7. Save the design in PNG or PDF format.
-

Suggested Infographic Topics

- Artificial Intelligence
 - Water Conservation
 - Cyber Safety
 - Renewable Energy
 - Healthy Lifestyle
 - Climate Change
 - Digital Citizenship
 - Importance of Reading
 - Plastic Pollution
 - Space Exploration
-

Student Infographic Worksheet

Task	Completed (✓)
Topic Selected	☐
Infographic Template Selected	☐
Title Added	☐
Icons/Illustrations Used	☐
Key Facts Included	☐
Color Theme Applied	☐
Infographic Saved	☐

Student Activity Checklist

Students should:

- ✓ Select a suitable educational topic.
- ✓ Organize information logically.

- ✓ Use icons and graphics effectively.
 - ✓ Apply suitable colors and typography.
 - ✓ Save the completed infographic.
-

Teacher Observation Checklist

- ✓ Uses AI-powered infographic tools correctly.
 - ✓ Organizes information clearly.
 - ✓ Demonstrates creativity and design skills.
 - ✓ Produces a visually attractive infographic.
-

Activity 2: Enhance the Infographic Using AI Features (3 Minutes)

Objective

To help students improve their infographic by applying AI design suggestions, visual hierarchy, and professional formatting techniques.

Materials Required

- Completed Infographic
 - AI Design Tool
 - Evaluation Worksheet
 - Teacher Evaluation Sheet
-

Instructions

1. Open the completed infographic.
2. Use AI suggestions to improve:

- Layout
 - Color Combination
 - Typography
 - Icon Placement
 - Alignment
3. Ensure all information is easy to read.
 4. Export the final infographic.

Infographic Evaluation Worksheet

Evaluation Criteria	Yes	Needs Improvement
Clear Title	☐	☐
Good Information Flow	☐	☐
Proper Icons & Graphics	☐	☐
Attractive Color Theme	☐	☐
Readable Typography	☐	☐
Professional Layout	☐	☐

Discussion Questions

1. Which AI tool did you use?
 2. Which infographic feature attracted the most attention?
 3. Why are icons and charts useful?
 4. How did AI improve your infographic?
-

Teacher Observation Checklist

- ☒ Uses AI suggestions effectively.
 - ☒ Improves infographic layout.
 - ☒ Applies visual hierarchy.
 - ☒ Demonstrates design improvement skills.
-

Activity 3: Present Your Infographic & Reflection (3 Minutes)

Objective

To help students confidently present their infographic, explain their design choices, and reflect on the importance of visual communication.

Materials Required

- Final Infographic
 - Reflection Worksheet
 - Teacher Observation Sheet
-

Instructions

1. Present your infographic in **1 minute**.
 2. Explain:
 - Topic selected
 - AI tool used
 - Design elements applied
 - Key information included
 3. Receive peer feedback.
 4. Complete the reflection worksheet.
 5. Suggest one improvement for future infographic designs.
-

Reflection Worksheet

Answer the following questions:

1. What topic did you choose?

2. Which AI design tool did you use?

3. Which design element improved your infographic the most?

4. What challenge did you face while designing?

5. Why are infographics more effective than long paragraphs?

Self-Assessment Checklist

Skill	Yes Needs Practice	
I created an educational infographic.	☐	☐
I organized information logically.	☐	☐
I used AI design tools effectively.	☐	☐
I applied colors, icons, and typography correctly.	☐	☐
I presented my infographic confidently.	☐	☐

Teacher Observation Checklist

- ☒ Explains infographic design confidently.
- ☒ Demonstrates visual communication skills.
- ☒ Uses AI responsibly.
- ☒ Participates actively in the presentation.

Mini Practical Assessment Rubric

Assessment Area	Marks
Infographic Design Quality	20
Information Organization	20
Creativity & Visual Appeal	20

Assessment Area	Marks
Use of AI Tools & Design Principles	20
Presentation, Reflection & Participation	20
Total	100 Marks

Teacher Observation Checklist

- ✓ Demonstrates proficiency in creating educational infographics using AI-powered design tools.
 - ✓ Organizes information using appropriate icons, charts, typography, and color schemes.
 - ✓ Applies visual hierarchy and infographic design principles effectively.
 - ✓ Uses AI responsibly while ensuring information is accurate and ethically presented.
 - ✓ Presents the infographic confidently and actively participates in peer discussion and feedback.
-

Practical Time Distribution

Activity	Duration
Create an Educational Infographic Using AI Tools	4 Minutes
Enhance the Infographic Using AI Features	3 Minutes
Present Your Infographic & Reflection	3 Minutes
Total Practical Time	10 Minutes

Expected Learning Outcomes

After completing these practical activities, students will be able to:

- Create professional **educational infographics** using AI-powered design tools.
- Organize complex information into clear, engaging, and visually appealing layouts.
- Apply infographic design principles, including **visual hierarchy, typography, icons, charts, color harmony, and information flow**.
- Improve infographic quality using AI-assisted design suggestions and formatting features.

- Present information effectively through visual communication while following ethical and responsible digital content creation practices.
- Develop practical skills for designing infographics used in **education, research, business, awareness campaigns, and digital communication.**
