2. Explain visual communication.
3. Why is voice modulation important during presentations?
4. What is audience engagement?
5. Mention any four AI tools used for presentation preparation.

Mini Presentation Assessment (20 Marks)

Students will prepare and deliver a **3-minute professional presentation** on any one of the following topics using AI-powered presentation tools.

Suggested Topics

- Artificial Intelligence in Education
- Cyber Safety Awareness
- Climate Change
- Water Conservation
- Renewable Energy
- Healthy Lifestyle
- Digital Citizenship
- Space Exploration
- Environmental Protection
- Smart Learning Technologies

Assessment Criteria

Criteria	Marks
Presentation Planning	5
Slide Design & Visual Communication	5
Public Speaking & Delivery	5
Confidence & Professional Communication	5
Total	20 Marks

Team Activity: Presentation Challenge & Professional Communication Workshop

Objective

To encourage teamwork by planning, designing, and delivering professional presentations while applying effective communication, storytelling, audience engagement, and collaboration skills.

Activity Instructions

1. Divide students into **teams of 4–5 members**.
 2. Each team selects one presentation topic.
 3. Prepare a **5–7 slide professional presentation** using AI-powered presentation tools.
 4. The presentation should include:
 - Title Slide
 - Introduction
 - Main Content
 - Visuals (Images, Charts, or Infographics)
 - Summary
 - Conclusion
 - Question & Answer Session
 5. Every team member must present a part of the topic.
 6. Participate in a peer feedback session after the presentation.
-

Suggested Team Topics

- Future of Artificial Intelligence
 - Cyber Safety for Students
 - Climate Change and Sustainable Living
 - Renewable Energy Sources
 - Water Conservation
 - Smart Education
 - Digital Citizenship
 - Environmental Protection
 - Healthy Lifestyle Awareness
 - Technology in Everyday Life
-

Team Evaluation Rubric

Assessment Area	Marks
Team Collaboration	20
Presentation Planning & Organization	20
Visual Communication & Slide Design	20
Public Speaking & Audience Engagement	20
Professional Communication & Teamwork	20
Total	100 Marks

Professional Communication Workshop

Workshop Activities

Students will:

- Plan a professional presentation using AI tools.
 - Design attractive presentation slides with proper visual communication principles.
 - Practice voice modulation and public speaking.
 - Demonstrate storytelling and audience engagement techniques.
 - Participate in a Question & Answer session.
 - Provide constructive peer feedback.
 - Reflect on strengths and areas for improvement.
-

Recognition & Awards

Individual Awards

- **Best Presenter Award**
 - **Best Public Speaker Award**
 - **Best Visual Presentation Award**
 - **Best Storyteller Award**
 - **Best Audience Engagement Award**
 - **Outstanding Professional Communicator Award**
-

Team Awards

- **Best Communication Team Award**
 - **Best Presentation Team Award**
 - **Best Visual Communication Team Award**
 - **Best Collaborative Team Award**
 - **Outstanding Professional Presentation Team Award**
-

Practical Evaluation Rubric

Evaluation Criteria	Marks
Presentation Planning & Organization	20
Visual Communication & Slide Design	20
Public Speaking & Voice Modulation	20
Audience Engagement & Professional Communication	20
Teamwork, Reflection & Professionalism	20
Total	100 Marks

Teacher Observation Checklist

- ☒ Demonstrates effective presentation planning and logical organization of ideas.
 - ☒ Designs professional presentation slides using visual communication principles and AI-powered tools.
 - ☒ Delivers presentations confidently using clear voice modulation, eye contact, positive body language, and storytelling techniques.
 - ☒ Handles audience questions professionally and communicates respectfully during discussions.
 - ☒ Demonstrates teamwork, leadership, collaboration, and constructive peer feedback.
 - ☒ Uses AI responsibly while ensuring originality, factual accuracy, copyright compliance, and ethical communication practices.
-

Expected Learning Outcomes

After completing the **Chapter-End Activity**, students will be able to:

- Demonstrate mastery of **presentation planning, visual communication, public speaking, storytelling, audience engagement, and professional communication.**
- Create and deliver professional presentations using **AI-powered presentation and design tools.**
- Apply effective communication techniques, including **voice modulation, body language, eye contact, audience interaction, and confident presentation delivery.**
- Collaborate effectively in teams to plan, design, and present professional presentations.
- Evaluate presentation performance through self-assessment, peer feedback, and teacher evaluation to improve communication skills.
- Demonstrate readiness for **academic presentations, seminars, interviews, competitions, workplace communication, and real-world professional presentations.**
